Step 2 Submit Customs eService Application (continued)

d Click on the **Singapore Customs** folder.

e Click on the **Out** folder.

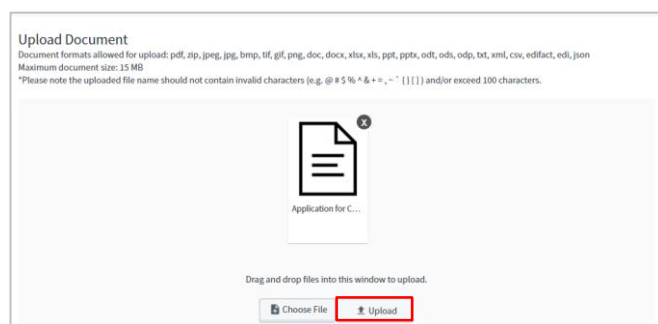

f Click **Upload**.

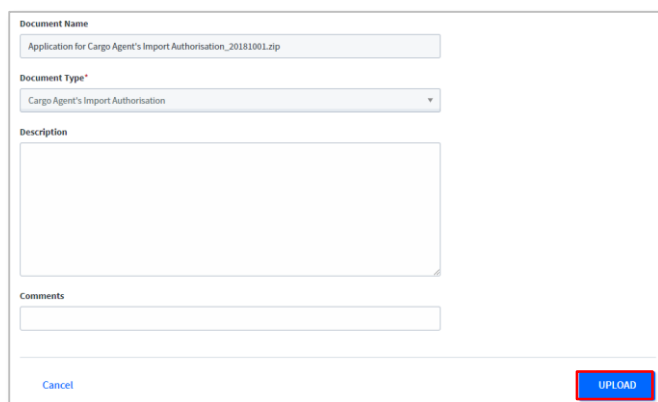

g Do one of the following*:

- Click **Choose File** and select the document that you would like to upload.
- Drag and drop the document into the upload window.

h Click **Upload**.

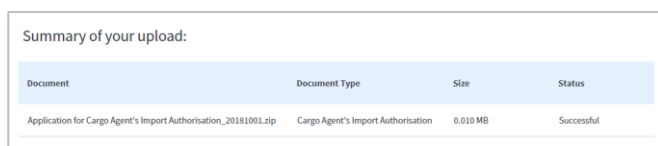

i Select the application type as the Document Type. (e.g. Cargo Agent's Import Authorisation)

A screenshot of the application form. It has several fields: 'Document Name' (with the value 'Application for Cargo Agent's Import Authorisation_20181001.zip'), 'Document Type*' (a dropdown menu with 'Cargo Agent's Import Authorisation' selected), 'Description' (a large empty text area), and 'Comments' (a smaller empty text area). At the bottom left is a 'Cancel' button, and at the bottom right is a red 'UPLOAD' button.

j Click **Upload**.

k Your application has been submitted to Singapore Customs. You can also access your NTP Notifications to view the details of your submission.

A screenshot of the 'Summary of your upload:' section. It contains a table with the following data:

Document	Document Type	Size	Status
Application for Cargo Agent's Import Authorisation_20181001.zip	Cargo Agent's Import Authorisation	0.010 MB	Successful

*Note:

- You should upload each application form and all its supporting documents (if any) as a single file (e.g. JPG, GIF, PDF and ZIP). You should also label the file name according to the type of application(s).
- Recommended filename for submission: *Application for <insert application name>_YYYYMMDD.* (e.g. *Application for Cargo Agent's Import Authorisation_20181001*)
- If you submit more than one of the same type of application a day, please number your documents (e.g. *Application for Cargo Agent's Import Authorisation_20181001_2*)
